# Jack Burke, Jr.

A PRO GOLFER, A GOLF CLUB DEVELOPER AND OWNER, A TEACHER, A PROMOTER OF AMATEUR GOLF, A COMMUNITY SUPPORTER, AND A MAN FULL OF IDEAS & OPINIONS

After a golfing career of successes: winner of 20 tournaments – 17 of these PGA Tour victories, winner of 4 straight victories in 1952, winner of the Masters in 1956, playing on five Ryder Cup Teams and Captain of two, Jackie Burke partnered with Jimmy Demaret and combined their talents and founded Champions Golf Club in 1957. Their dream was to create two championship golf courses that would attract a membership of accomplished low handicap players. Their goal is just as true today as it was back then.

Our area began with their vision and developed into a legend. That vision grew in 1956, at Bill Roberts Steak House on the corner of Westheimer and Kirby Drive, when Jackie met with Jimmy Demaret and Jack Valenti and drew on the back of the menu how the course would be laid out.

Since then, Champions became a place where Hogan, Hope, Crosby, Cherry, and other well-known names would be seen playing the course and enjoying the fellowship of the club. Champions has also been a valuable part of the development of amateur golf from junior to senior levels.

Jackie Burke and Jimmy Demaret became our champions. Jackie has continued their dream with fixed determination and skill, setting the bar high for the rest of us to follow.

Jackie has not limited his interests to golf alone, but has actively supported our local charities, cultural arts, educational systems, and youth programs. His philosophy has been to keep his philanthropy local.

Our community honors Jackie Burke tonight with much appreciation for all he has done for our area. Jackie, our champion, continues to be a shining beacon for our community.

“THE ONLY DIFFERENCE BETWEEN A GOOD PLAYER AND A POOR PLAYER IS THAT THE GOOD PLAYER DIDN'T QUIT.”

*Jackie Burke*
